W. P. No.1009/2007

10.2.2017

None appears for the petitioner.

In spite of repeated notice being issued to the petitioner and his counsel, none is appearing to assist the office in reconstruction of the record. The case was listed before the Office on 20.9.2016, 21.10.2016, 24.11.2016 and 4.1.2017 and none appeared for reconstruction of the record. It seems that the petitioner is no more interested in the matter.

Accordingly, the petition is **dismissed for want of prosecution**.
